

1. Complete the following.

Element	Group #	Group A#	# of valance electrons
Sodium			
Magnesium			
Aluminium			
Nitrogen			
Chlorine			
Neon			
Argon			

What did you learn from completing the above table?

2. Complete the following:

Element	Period #	# of Shells
Hydrogen		
Helium		
Lithium		
Carbon		
Nitrogen		
Fluorine		
Neon		
Sodium		
Aluminium		
phosphorous		
Chlorine		
Argon		

What did you learn from completing the above table?
